Cultivate People Who Make Jesus Known: by Dr. Richard Rogers

## REVIEW IT

Read John 4:1-42

## THINK ABOUT IT

Each week, we gather together to remind ourselves of the Gospel, celebrate what God is doing and will do in our lives, and invite the lost to trust in Jesus for salvation. Additionally, we encourage one another with Scripture and song before heading back out into the world to be a shining light for Christ. But none of this can happen if we are not present and active on a regular basis.

## TALK ABOUT IT

- 1) How would you describe worship and its impact in your life?
- 2) What does it mean to worship the Father, "in spirit and in truth?"
- 3) Have you been guilty of shifting the center of worship away from God? In what ways? How have you seen this hurt your fellowship with other believers?
- 4) Worship is oriented by Jesus. How has true worship helped you shift from knowing about Him to really knowing him?
- 5) How has worship helped you feel as though you are not alone?

## LIVE IT

For the next month, when you enter into our time of worship, prepare your heart through prayer. Ask yourself the question, "Why am I here?" Ask God to take away the distractions of self and your own needs.
